

Introducing the NEW

Charleston

four-piece paving stones

Distinctive.

Charming.

Inviting.

Create a natural, cut-stone look with Charleston paving stones

Let your imagination take control as you create distinctive projects with our new Charleston paving stones. Charleston features a larger face surface and is available in four sizes so you can create a variety of designs, including popular Ashlar patterns. And because Charleston paving stones are tumbled for a rougher, more natural texture reminiscent of aged cut stone, you can give any project an old-world, European look with ease.

Available for
 the first time!

Standard Blended Colors:

Fieldstone

Ironstone

Millstone

Standard Solid Border Colors: (Available in 8 1/4" x 11" size only.)

Charcoal

Cambay Tan

As always,
 custom colors are
 also available.

Colors: Every effort has been made to assure accuracy in these colors. However, due to the nature of concrete and the manufacturing process, as well as the printing process of these charts, colors may vary slightly. We recommend viewing actual samples as you make your color selection.
